WHY GOOD SHEPHERD?

☀ **DEVELOPMENTALLY** balanced program that has been created especially for our students by our talented staff.

☀ **AN IMPORTANT ASSET** to this program is the benefit children have in bridging over to their next year at GSES with different combinations of children in a familiar setting and working with familiar teachers on our own beautiful campus.

☀ **FOR CHILDREN NEW TO OUR SCHOOL,** this is an ideal way to become acquainted with new friends and staff.

☀ **FOR ENTERING 3s,** this program gently introduces them to a "step up" in their progression to the next level and helps to quell much anxiety over meeting new friends and teachers.

☀ **OUTDOOR PLAY!** We spend a large part of our morning on the playground in a camp-like atmosphere with a range of stimulating theme-related activities appropriate from our youngest to our more mature campers.

Don't miss our summer fun!
