Before School Care Program

(Available for Twos, Threes, Fours, and Bridging Kindergarten)

Before school care begins at 7:45 am and is staffed by GSES teachers. Children may be brought to the Bridging Kindergarten Room and sign in with the teachers on duty. They will have quiet activities, books, and puzzles to occupy themselves until they are released to their regular classroom at 8:45 am. Charges for Before School Care are by membership according to the number of days a child will be dropped off early each week.

All students enrolled in Before School Care must be potty-trained.

Pre-registration is preferred for us to staff accordingly and maintain an ideal student/teacher ratio. A drop-in charge of \$25.00 per day will be billed for children who are not pre-registered.

After School Enrichment Program (ASEP)

(Available for Threes, Fours, and Bridging Kindergarten)

Class descriptions, fees, times and age limits are described below. For your convenience, children enrolled in an ASEP class are automatically enrolled in Stay and Play for that day as a "bridge" if the ASEP class begins at a later time (Stay and Play fees will apply.)

- Dismissal for students attending Stay and Play will take place as part of the regular dismissal of all classes.
- A fee of \$20 will be assessed for late pick-up (after 10 minutes late).
